■ ABOUT PROJECT

Whether you're envisioning a stunning high-rise with breathtaking views Silver City's high-rise plots offer limitless potential

01.

4-Sides Open

Positioned for optimal exposure and accessibility, making your development highly visible and easy to access.

02.

Up to 20-Storeys

Maximize space with a vertical construction, ideal for luxury living, a high-end hotel, or commercial offices or apartments.

03.

Basement Parking

Designed with future-proofing in mind, ensuring your development caters to modern parking demands.

04.

Infrastructure

Located within Silver City's eco-conscious master plan, your project will benefit from sustainable design practices,

05.

Prime Location

Situated at the entrance of Silver City Gate No. 2, these plots offer a prestigious address with high foot traffic and easy access for residents and visitors alike.

06.

Amenities

Enjoy the convenience of being steps away from Silver City's commercial district, parks, and recreational facilities, making it an ideal location.

■ WHY CHOOSE SILVER CITY FOR YOUR NEXT PROJECT

Silver City is more than just a residential community; it's an urban oasis that blends modern living with natural serenity. Nestled amidst lush landscapes and green spaces, it offers world-class amenities, high-security living, and a premium lifestyle.

■ EXCLUSIVE GATED COMMUNITY

Secure, tranquil, and well-connected experience exclusivity and security within our gated community, fostering a close-knit sense of belonging.

■ APPRECIATING VALUE

With the rapid infrastructure development in the surrounding areas, these plots are poised for significant returns on investment.

■ INVESTMENT OPPORTUNITIES

Offering the ultimate canvas for luxury apartments, boutique hotels, or mixed-use developments.

These plots promise unmatched potential for creating a landmark project that stands out in Rawalpindi and Islamabad's rapidly evolving skyline.

5.5 Kanal Plot

This expansive plot offers the ideal foundation for up to a 20-storeys masterpiece with 3 levels of underground parking, providing seamless integration for high-end commercial or residential development.

06 Kanal Plot

A larger plot with 4-side open access is perfect for a striking up to 20-storeys structure complemented by ample underground parking. Design with flexibility, from luxury apartments to a 5-star hotel or upscale offices.
